Ordering from Scotsburn

Evergreen Connect is the most accurate and efficient way to order from us.

We have only been using this system for 3 weeks and it has already proved itself to be vastly more reliable than emails or faxes, we just don't make errors when entering orders.

We strongly recommend you utilise their system evergreenconnect.com.au

You can order from Scotsburn without registering with Evergreen Connect but again, we recommend registering as it makes the process even more efficient and allows you to track your purchases and access suppliers Australia wide. It costs \$90.00 per year, but it looks like a wise investment.
