**Ordering from Scotsburn**

*Evergreen Connect is the **most** accurate and efficient way to order from us.*

*For the relatively short time we have been using it has already proved itself to be vastly more reliable than emails or faxes, we just don't make errors when entering orders.*

*We strongly recommend you utilise their system [evergreenconnect.com.au](http://evergreenconnect.com.au)*

*You can order from Scotsburn without registering with Evergreen Connect but again, we recommend registering as it makes the process even more efficient and allows you to track your purchases and access suppliers Australia wide. It costs \$90.00 per year, but it looks like a wise investment.*
